Schedule

Friday, October 1

6:00 - 8:00 P.M. - cattle available for
viewing

Saturday, October 2

1:00 P.M. - Sale begins

(Note: There is a MSU home football game and road
construction in the area, so plan extra time for travel)

Complimentary Lunch Provided

The Michigan Angus Association
welcomes you

From the Sale Committee Chair

Angus Friends,

Thanks for your interest in the Great Lakes
Angus Fall Classic Sale. My fellow consigners
are offering some of their herd's core breeding
stock. An example is the Apple Hill Angus
Spotlight entry, G A R Expectation 3471. The
MacMaster Family is sharing the genetics of
their keystone cow and their donor program
from the famous Gardiner Angus Ranch.

Whether you are looking for a show heifer
prospect, an Angus club calf, or the genetics to
help you achieve your goals with your herd, I
am confident you will be impressed with the sale
entries offered.

Please contact me if I can be of any assistance.

Omega Black Jestress 5494 demonstrates the strength of the Omega breeding program on both the top and bottom of her pedigree. Sired by a grandson of Leachman Saugahatchee 3000C, Omega Saugahatchee 0821 has been a high performing sire in the Omega herd that promotes heavy muscled and well made calves. He goes back to the historical sire, Black Bardolier, who has been the foundation sire of many famous Angus herds. On the dam side of her pedigree, the cow families represented are the strongest at Omega Farms going back to the reigning International Grand Champion Bull, Bar Heart Winton's Image.

We offer this valuable female from the heart of the Apple Hill program. She is calving ease and superior carcass value in a sound and attractive package: a great Angus mother. Her 2010 daughter is consigned as a sale feature so you may see what she produces. We think that select sires' Werner War Party 2417 is the most exciting prospect to come along in quite a while. She carries his service with a due date of February 14.

AHA Queen Mother 7434 is a fine 3-year old with Marbling and Beef Value EPDs in the top 1% of the breed. Her dam, now at High-Point Livestock, produced the heifer everyone was talking about at Phil and Lisa Tuggle's recent sale. If you want to rapidly improve your carcass genetics without giving away eye appeal, this is a young mother to consider. Due in April to AHA True North 952, an exceptional son of Final Answer.

This fancy bred cow is sired by EXAR Nacho 3090. This highly productive female has a birth ratio of 98 on two calves and a weaning ratio of 106 on two calves. Her dam is a beautifully uddered daughter of Rito 1A9 of 8FM0 205. She was bred AI to the ROV show bull of the year, Sankeys Lazer 609 of 6N on 4/12/2010. She was also pasture exposed to MSU SH Outback, a maternal brother to the Select Sires AI sire Werner War Party. Breeding information will be available sale day.

This daughter of Rito 1A9 has been a consistent producer in our herd. She has 3 sons working in herds in Michigan and Missouri. We have retained 1 daughter and 2 granddaughters. Her dam produced the high gaining bull at the 2003 MCA/MSU Bull Test Station. She is a light birth weight individual with balanced EPDs. Her IMF value was 5.58%. She sells calfhood vaccinated and bred to MSU Final Four 920 since August 16, 2010.

Sale Information

Herd Health: All cattle will be accompanied by proper health certificates for immediate shipment.

All Cattle have a negative BVD Test.

All Cattle are free of Arthrogyriposis Multiplex (AM) and Neuropathic Hydrocephalus (NH).

At the time of entry deadline for this catalog, there is not a known commercial test for Contractural Arachnodactyly (CA)

All cattle must meet one of the following TB testing requirements:

- Have a TB test within 60 days of the sale or
- Originate from an accredited TB free herd or
- Originate from an accredited TB free state.
- Cattle originating from the modified accredited zone must have a movement permit.

Trucking: All arrangements regarding trucking costs and delivery times are to be predetermined between the trucking firm and the buyer prior to the trucking firm hauling the cattle.

Sale management and the sellers will assist in coordinating loads, however, neither the sale management, nor the seller, assumes any responsibility regarding the pricing for trucking cattle or the collection of fees due to the trucking firm.

Responsibility: The seller is the responsible party for all recommendations and warranties. The Michigan Angus Association, all persons associated, and the auctioneer are acting as agents only and are not responsible in any way, but will endeavor to protect the interest of both buyer and seller. The seller or anyone associated with the sale shall not be responsible in case of accident resulting in injury to anyone attending the sale.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer, and his decision will be final.

Risk: All animals are at owner's risk and become the property of the purchaser when declared sold. Assistance will be given in loading and shipping of animals, but no risk is assumed by anyone associated with the sale.

Liability: All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or the behavior of the animals. The owner, Michigan Angus Association, and the sale staff assume no liability for property loss or any accidents that may occur.

Terms and Conditions: Cattle will sell under the standard terms and conditions as recommended by the American Angus Association.

AI certificates for calves carried in dam will be the buyer's responsibility.

Announcements from the Auction Block regarding the cattle selling will take precedence over information listed in this catalog.

Buyers unable to attend the sale may send their bids to members of the sale committee, auctioneer, or ringmen. Bids will be handled as if you were present.

No registrations will be transferred until payment is received.

Unpaid invoices may be assessed a 1.5% finance charge per month.

Breeding Information: A supplemental sheet will be available sale day with complete and up to date breeding information.
