

**Michigan Angus Association  
2020 Vision**

Guiding Principles

- 1) To encourage and extend the influence of Aberdeen-Angus cattle with the Michigan beef industry
- 2) To promote the interests of its membership
- 3) To promote cooperation and a closer relationship among the membership
- 4) To work to the general advantage and profit of the membership
- 5) To cooperate with the American Angus Association in the development of the breed of Angus cattle and to cooperate with District Associations within the State
- 6) To provide educational opportunities for its membership, affiliates and the Michigan cattle industry
