Welcome...

Consignors

On behalf of the Michigan Simmental Association, Michigan Angus Association, and Ruble Cattle Services we would like to welcome you to the fourth annual sale fall sale. We've put the time into driving around and screening the sale cattle to ensure a quality set from top to bottom.

We have the largest offering Michigan's top Angus and Simmental breeders have come together to offer an exceptional set of cattle. This sale features breed leading frozen genetics, donor cows and elite semen sires. We also have a great selection of bred females and pairs, both in many breed combinations. This year we have an awesome set of females in every stage of production ranging from open show heifers to 3N1s.

Simply put, we've spent a great deal of time and money on this sale to have something for every kind of buyer. A special thanks to the both association's board of directors and the Simmental & Angus breeders of Michigan for allowing us to manage this year's sale. We feel confident this year's fall sale has something to add to every kind of cattle program.

We look forward to seeing you at the sale or talking to you over the phone. This will be one of the largest events in Michigan and is a must attend event. If you can't make to the sale we will offer you a complete description of the sale cattle and we can help arrange affordable trucking to most of the U.S.

Sincerely,

Jeremie Ruble

- AI'd 4/8/17 to CSCX Bandwagon 513A (ASA# 2757819)
- Cows with a pedigree like this don't come along every day: pay attention here! 203's dam is the only maternal sister to the dam of the legendary Broker. Her genetics combined with her phenotype make this female very exciting. We never flushed this cow but we should have. She has done a wonderful job for us raising one of the biggest calves every year; take a look at her bred heifer if you don't believe me. Mated to Bandwagon is icing in the cake!

- Offering 3 IVF heifer sexed embryos, guaranteeing one pregnancy if implanted by a certified embryologist.
- A family line that has stood the test of time. Babe is the stoutest made female of the Fantasy cow line we have ever seen. This Built Right daughter is simply a powerhouse that adds bone, foot shape and lots of internal dimension into her progeny. Since acquiring this elite donor female from C&C Farms we have put her right to work in the donor pen creating matings on the top bulls in the breed.

- Big ribbed, stylish and functional. This lady will make % Simmentals that you will want to keep every year. Out of the highly sought after BC LOOKOUT 7024 bull and the MISS BURGESS cow family from MSU. She was our pick of bred heifers the last year Cody Sanke was in charge of the Purebred beef unit. She was AI'd to MR TR Hammer and pastured exposed to UKN Carter 300A who is a W/C NO REMORSE out of the Mark Hoge family's dominant MR HOC BROKER show heifer. We have retained several daughters out of her into our herd and thought it was time to let somebody else make good cattle with her.

- Lady Incentive is moderate framed and thick, but still very feminine and stylish. She is in the top 15% of the breed for RADG and \$YG EPDs, the top 20% for BW, DMI, and \$G, the top 25% for Milk, RE, and Fat, and 35% or better for CED, Marb, \$QG, and \$B. She has a good disposition and is good footed and her mother is still in the herd at 14 years of age and bred back for next year. Lady Incentive will be a nice herd addition for balanced traits and longevity. She has been ultrasound confirmed to a July 17 AI service to R B Tour of Duty 177 (we really love the calves that we have out of him), and has been pasture exposed to LA Hoover Dam 1816 (Reg # 18627070) since August 8. She sells with a fancy May 30 heifer calf that had an actual birth weight of 68 pounds and is sired by a son of TC Aberdeen.

- Here is a bred heifer that we just hate to see go. This Stepping Stone Heifer is just a flat good purebred simmental female. She has some style but also is back with a ton of power. This female is ready to start to make some offspring that will make you some money. She is has a clean front end, deep body, and is good on the move. She is the type of female that you can keep breeding her simmental and make exceptional calves or breed her to a clubby bull and make some power houses for the show ring. She is bred to Uno Mas and we believe that mating is going to produce a calf that has lots of power and style. With her white face and chrome she just may produce another baldy.
